

NOTICE OF ANNUAL GENERAL AND SPECIAL MEETING AND MANAGEMENT INFORMATION CIRCULAR

June 23, 2026

LETTER FROM OUR CHIEF EXECUTIVE OFFICER

I would like to invite you to join us for PetroTal Corp.'s ("PetroTal" or the "Corporation") Annual General and Special Meeting ("Meeting") of shareholders, which will be held in person at the offices of Stikeman Elliott LLP, Suite 4200, 888 3rd St SW, Calgary, Alberta T2P 5C5 on **June 23, 2026**, at **10:00 a.m.** (Calgary time).

The attached Notice of Meeting and Proxy Statement outlines the business to be addressed at the meeting. Whether or not you plan to attend, we strongly encourage you to submit your vote online or by mail.

PetroTal delivered solid operational and financial performance in 2025, demonstrating the resilience of our business. Average production increased by approximately 9% compared to 2024, while the Company generated \$166 million of Adjusted EBITDA and \$90 million of free funds flow. We also returned approximately \$44 million to shareholders through dividends and share repurchases prior to pausing our distribution program in November.

Despite a lower commodity price environment, PetroTal ended the year with a strong cash position of approximately \$139 million, providing flexibility to advance key priorities. During 2025, we completed our development drilling program early in the year and shifted our focus to infrastructure investment, including the erosion control project at Bretana.

Looking ahead, our focus in 2026 is on restoring production growth and enhancing operational efficiency. This includes optimizing water handling capacity at Bretana and resuming development drilling, which remains on track for October 2026. We are also advancing cost reduction initiatives to further strengthen the business.

PetroTal continues to prioritize safety, environmental stewardship, and engagement with local communities. We remain committed to responsible operations and long-term value creation.

On behalf of PetroTal's board of directors and the PetroTal team, we sincerely thank you for your continued support and confidence. We look forward to hearing from you at the 2026 Annual General Meeting.

Thank you once again for being part of PetroTal's success.

Sincerely,

Manuel Pablo Zúñiga-Pflücker

**MANAGEMENT INFORMATION
CIRCULAR FOR THE ANNUAL GENERAL
AND SPECIAL MEETING OF THE
HOLDERS OF COMMON SHARES OF
PETROTAL CORP.
TO BE HELD ON JUNE 23, 2026**

Dated: May 12, 2026

Purpose of Solicitation

This management information circular (the “Information Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of PetroTal Corp. (the “Corporation”) for use at the annual general and special meeting of the holders (the “Shareholders”) of the common shares (the “Common Shares”) in the capital of the Corporation to be held at the offices of Stikeman Elliott LLP, Suite 4200, 888 3rd St SW, Calgary, Alberta T2P 5C5, on June 23, 2026 at 10:00 a.m. (Calgary time), and any adjournment or adjournments thereof (the “Meeting”) for the purposes set forth in the Notice of Annual General and Special Meeting (the “Notice of Meeting”) accompanying this Information Circular.

Record Date

The Shareholders of record on May 8, 2026 (the “Record Date”) are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

1. such person transfers his or her Common Shares after the Record Date; and
2. the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Corporation, not later than ten (10) days before the Meeting, that his or her name be included on the Shareholders’ list for the Meeting.

Any registered Shareholder of the Corporation (a “Registered Shareholder”) at the close of business on the Record Date who delivers a proxy will be entitled to have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “*Proxy Information - Completion of Proxies*”.

Proxy Information**Solicitation of Proxies**

The solicitation of proxies is made on behalf of the management of the Corporation. The costs incurred in the preparation of the enclosed form of proxy (the “Form of Proxy”), Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Corporation. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means.

Completion of Proxies

The Form of Proxy affords Registered Shareholders or intermediaries an opportunity to specify that the

Common Shares registered in their name shall be voted for, against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting.

The persons named in the enclosed Form of Proxy are Manuel Pablo Zúñiga-Pflücker, the President and Chief Executive Officer of the Corporation, and Camilo McAllister, the Executive Vice President and Chief Financial Officer of the Corporation.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF AN UNREGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE CORPORATION. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED, OR SUBMIT ANOTHER APPROPRIATE PROXY.

A proxy must be dated and signed by the Registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Registered Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy.

In order to be effective, the proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarial certified copy thereof, must be mailed or completed online at www.investorvote.com so as to be deposited at the office of the Corporation's agent, Computershare Trust Company of Canada, 320 Bay Street, 14th Floor, Toronto, ON M5H 4A6, not later than 10:00 a.m. (Calgary time) on the second last business day preceding the day of the Meeting or any adjournment thereof or deposited with the Chair of the Meeting by email at cmcallister@petrotal-corp.com on the day of the Meeting prior to the commencement of the Meeting. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Corporation.

Appointment and Revocation of Proxies

A Registered Shareholder or intermediary who has submitted a proxy may revoke it by instrument in writing executed by the Registered Shareholder or intermediary or his or her attorney authorized in writing, or, if the Registered Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited either with the: (a) Corporation at its offices or at the office of the Corporation's agent, Computershare Trust Company of Canada, at any time prior to 10:00 a.m. (Calgary time) on the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) Chair of the Meeting by email at cmcallister@petrotal-corp.com prior to the commencement of the Meeting on the day of the Meeting, and upon such deposit the previous proxy is revoked.

Exercise of Discretion by Proxies

A Registered Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Registered Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The enclosed Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows of no such amendment, variation or other matter. However, if any

other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Notice-and-Access

The Corporation has elected to use the “notice-and-access” provisions under National Instrument 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer (the “Notice-and-Access Provisions”) for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to Shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Corporation will use procedures known as “stratification” in relation to its use of the Notice-and-Access Provisions, meaning that Registered Shareholders will receive a paper copy of the Information Circular and other relevant information whereas Shareholders who do not own Common Shares in their own name (“Beneficial Shareholders”) will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the “Notice-and-Access Notification”).

The Corporation anticipates that notice-and-access will directly benefit the Corporation through substantial reductions in postage and printing costs. The Corporation believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

The Corporation will be delivering the Notice-and-Access Notification to non-objecting Beneficial Shareholders directly with the assistance of Broadridge Financial Solutions, Inc. (“Broadridge”). Management does not intend to pay for intermediaries to forward the Notice-and-Access Notification to Beneficial Shareholders who have objected to their intermediary/broker disclosing ownership information about them pursuant to applicable securities laws (“Objecting Beneficial Shareholders”). Consequently, an Objecting Beneficial Shareholder will not receive the Notice-and-Access Notification unless the Objecting Beneficial Shareholder’s intermediary/broker assumes the cost of delivery.

Shareholders with questions about notice-and-access can call Broadridge Financial Solutions, Inc. toll free at **1-855-887-2244**.

In order to receive a paper copy of this Information Circular and other relevant information, requests by Beneficial Shareholders may be made up to one year from the date the Information Circular was filed on System for Electronic Document Analysis and Retrieval Plus (“SEDAR+”) by: (i) mailing a request to the Corporation at Suite 300, 16200 Park Row, Houston, Texas 77084; (ii) calling Broadridge toll free at **1-877-907-7643**; (iii) online at the Corporation’s website: www.petrotal-corp.com.

The Corporation estimates that a Shareholder’s request for paper copies of the Information Circular and other relevant information will need to be received prior to June 8, 2026, in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed Form of Proxy by the due date set out under the heading “*Completion of Proxies*” in this Information Circular.

Advice to Beneficial Holders of Securities

The information set forth in this section is of significant importance to Beneficial Shareholders. Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for

many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate individuals.

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of securityholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to Registered Shareholders by the Corporation. However, the purpose of the broker's form of proxy is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically asks Beneficial Shareholders to return voting instruction forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting. The Broadridge voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own name in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting. If you have any questions respecting the voting of Common Shares held through an intermediary, please contact that intermediary for assistance.

VOTING OF COMMON SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation is authorized to issue an unlimited number of Common Shares without nominal or par value. As at the date hereof, there are 920,328,248 fully paid and non-assessable Common Shares issued and outstanding. The holders of the Common Shares are entitled to receive notice of all meetings of Shareholders and to attend and vote the Common Shares at all such meetings. Each Common Share carries with it the right to one vote.

The bylaws of the Corporation provide that if two persons holding not less than 10% of the issued Common Shares entitled to vote are present in person or are represented by proxy, a quorum for the purposes of conducting a shareholders meeting is constituted.

Any Registered Shareholder at the close of business on May 8, 2026, being the Record Date, who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading “*Completion of Proxies*”.

To the best of the knowledge of the directors and executive officers of the Corporation, as at the date hereof, the following persons or companies beneficially owned, directly or indirectly, or exercised control or direction over, voting securities of the Corporation carrying more than 10% of the voting rights attached to the Common Shares:

Name	Number of Common Shares Held	Percentage of Total Issued and Outstanding Common Shares
BH Holdings Limited	182,000,000	19.93%

MATTERS TO BE CONSIDERED AT THE MEETING

The Shareholders of the Corporation will be asked to consider and, if deemed appropriate:

1. by ordinary resolution, to fix the number of directors of the Corporation (the “Board”) at eight (8) members;
2. by ordinary resolution, to elect the directors of the Corporation;
3. by ordinary resolution, to appoint auditors for the ensuing year and to authorize the Board to fix their remuneration;
4. to approve the issuance of all unallocated share units under the performance and restricted share unit plan of the Corporation;
5. to consider and, if thought appropriate, pass a special resolution authorizing the directors to consolidate the Common Shares on the basis of a ratio of between five (5) and ten (10) pre-consolidation Common Shares for each one (1) post-consolidation Common Share, as described in the Information Circular; and
6. to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is contained below.

Fixing Number of Directors

At the Meeting, it is proposed that the number of directors to be elected to hold office until the next annual meeting or until their successors are elected or appointed, subject to the articles of the Corporation, be set at eight (8).

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of setting the number of directors to be elected at the Meeting at eight (8).

Election of Directors

Action is to be taken at the Meeting with respect to the election of directors. Shareholders will be asked to pass an ordinary resolution at the Meeting to elect, as directors, the nominees whose names are set forth in the table below. Voting for the election of nominees will be conducted on an individual, and not on a slate, basis. Each nominee elected will hold office until the next annual meeting of the Shareholders or until his successor is duly elected or appointed, unless his office is vacated earlier in accordance with the Corporation’s bylaws.

The Board adopted an amended majority voting policy (the “Majority Voting Policy”) effective February 1, 2023, pursuant to which any director who is not elected by at least a majority (50% + 1) of votes cast with respect to his or her election will be considered by the Board not to have received the support of the Shareholders. Such a nominee must immediately tender his or her resignation to the Board. The Board will be expected to accept the resignation except in situations in which exceptional circumstances warrant the applicable director continuing to serve on the Board as permitted in accordance with the applicable policies and staff notices of the Toronto Stock Exchange (the “TSX”). The Board will promptly disclose its decision whether to accept the director’s resignation offer including the reasons for rejecting the resignation offer, if applicable, by issuing a news release. Any director who tenders his or her resignation pursuant to the Majority Voting Policy may not participate in any portion of a meeting of the Board (or, if applicable, any committee of

the Board, if he or she is a member of that committee) to consider the decision whether to accept such director's resignation.

Shareholders should note that, as a result of the Majority Voting Policy, a "withhold" vote is effectively the same as a vote against a director nominee in an uncontested election. A copy of the Majority Voting Policy, as amended, is included as Schedule "A" to the information circular of the Corporation dated May 3, 2023, which is available under the Corporation's SEDAR+ profile at www.sedarplus.ca.

Any Shareholder who wishes to nominate an additional director can do so by submitting to the Executive Vice President and Chief Financial Officer of the Corporation the information required by the advance notice provisions in the Corporation's bylaws, including the nominees' names, backgrounds, qualifications and experience. The advance notice provisions require that a Shareholder give the Corporation advance notice of any proposal to nominate directors for election to the Board. If a nomination is to be presented at an annual meeting of Shareholders, the notice must be given between 30 and 65 days in advance of the meeting; provided that if the annual meeting is to be held less than 50 days after the Corporation announces the meeting date, the notice must, in those circumstances, be given within ten (10) days of the meeting announcement. If a nomination is to be presented at a special meeting of Shareholders (that is not also an annual meeting) where one of the items of business is the election of directors, then the notice must be given within 15 days of the meeting announcement. No person nominated by a Shareholder will be eligible for election as a director of the Corporation unless nominated in accordance with the advance notice provisions. The Board may, in its sole discretion, waive any requirement of the advance notice provisions. A copy of the advance notice provisions is included in the amended management information circular of the Corporation dated May 9, 2013 (a copy of which is available under the Corporation's profile on the SEDAR+ website at www.sedarplus.ca).

The Corporation is required by applicable corporate and securities legislation to have an Audit Committee comprised of members of the Board that are considered "financially literate" and a majority of which are considered "independent", as such terms are defined in National Instrument 52-110 – Audit Committees ("NI 52-110"). The Corporation has also established a: (a) Corporate Governance and Compensation Committee; (b) Reserves Committee; and (c) Health, Safety, Environment and Corporate Social Responsibility Committee (the "HSES Committee"), each comprised of members of the Board. Please see the discussion under the heading "*Corporate Governance Practices*". The present members of each committee of the Board are identified in the table below.

The following information relating to the nominees as directors is based partly on the records of the Corporation and partly on information received by the Corporation from the respective nominees, and sets forth the name and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Corporation now held by them, their principal occupations or employments, the periods during which they have served as directors of the Corporation and the number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

Corporate Cease Trade Orders or Bankruptcies

Except as provided herein, none of the above proposed directors are, or within ten (10) years prior to the date of this Information Circular have been, a director, Chief Executive Officer or Chief Financial Officer of any company that, while such person was acting in that capacity, was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

None of the above proposed directors are, or within ten (10) years prior to the date of this Information Circular have been, a director, Chief Executive Officer or Chief Financial Officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, Chief Executive Officer or Chief Financial Officer and which resulted from an event that occurred while that person was acting in the capacity as director, Chief Executive Officer or Chief Financial Officer.

Except as provided herein, none of the above proposed directors are, or within ten (10) years prior to the date of this Information Circular have been, a director or executive officer of any company that, while acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Personal Bankruptcies

None of the above proposed directors have, within ten (10) years prior to the date of this Information Circular, become bankrupt, made a proposal under any bankruptcy or insolvency legislation, been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold their assets.

Penalties and Sanctions

None of the above proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or have entered into a settlement agreement with a securities regulatory authority, or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the election to the Board of those persons designated above as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion, unless the Shareholder has specified in his proxy that his Common Shares are to be withheld from voting on the election of directors.

Appointment of Auditors

The Shareholders will be asked to pass an ordinary resolution at the Meeting to appoint Deloitte LLP as auditors of the Corporation, to hold office until the next annual meeting of the Shareholders, at such remuneration to be determined by the Board. Deloitte LLP was first appointed as the Corporation's auditors on January 22, 2018.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the appointment of Deloitte Canada as auditors of the Corporation and to authorize the Board to fix the remuneration to be paid to the auditors.

Approval of PRSU Plan and Unallocated Share Units

The Shareholders will be asked to pass an ordinary resolution at the Meeting to approve the grant of restricted share units (“RSUs”) and performance share units (“PSUs”) under its performance and restricted share unit plan (the “PRSU Plan”). In connection with the Corporation's graduation to the TSX from the TSXV, effective May 3, 2023, the Board approved the adoption of certain amendments to the PRSU Plan to bring it in alignment with the requirements of the TSX.

In accordance with the rules and policies of the TSX, director and shareholder approval is required every three (3) years for all unallocated options, rights or other entitlements under a security-based compensation arrangement that does not have a fixed maximum aggregate of securities issuable, such as the PRSU Plan. On February 16, 2023, the Common Shares were listed on the TSX (prior thereto the Common Shares were listed on the TSXV). The Board approved the unallocated Share Units under the 2023 version of the PRSU Plan prior to the date of this Information Circular, as well as certain amendments to the 2023 version of the PRSU Plan. The amendments incorporate specific updates pertaining largely to US tax considerations and did not require Shareholder approval. As of the date of this Information Circular, the Corporation has 14,563,862 PSUs and 623,003 RSUs allocated and outstanding under the PRSU Plan, representing 1.65% of the issued and outstanding Common Shares and 76,845,960 PSUs unallocated share awards (representing 8.35% of the issued and outstanding Common Shares) that may be granted in the future under the PRSU Plan (less any further grant of Options under the Stock Option Plan). The unallocated portion represents the maximum future grants available under the Stock Option Plan and PRSU Plan. Any additional grants under the Stock Option Plan would reduce the number otherwise available to grant under the PRSU Plan.

The Board believes that the passing of the below resolution is in the best interests of the Corporation and recommends that Shareholders vote in favour of the resolutions (the “PRSU Plan Resolution”) approving the grant of unallocated Share Units under the PRSU Plan.

At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

BE IT RESOLVED THAT:

- (1) all unallocated restricted share awards and performance share awards issuable under the performance and restricted share unit plan (the “PRSU Plan”) are hereby approved and authorized;
- (2) the Corporation have the ability to continue granting options under the PRSU Plan until June 23, 2029, being the date that is three (3) years from the date of this resolution; and
- (3) any one director or officer of the Corporation is hereby authorized and directed for and on behalf of the Corporation to execute or cause to be executed, under the corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered, all such other documents and instruments and to perform or cause to be performed all such other acts and things as in such person's opinion may be necessary or desirable to give full effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the PRSU Plan Resolution.

If the necessary Shareholder approval is not obtained at the Meeting, the Corporation will no longer be able to: (i) issue Common Shares from treasury in respect of any unallocated Share Units, being Share Units, which have not been granted as of June 15, 2026; or (ii) authorize and issue further grants of Share Units under the PRSU Plan after June 15, 2026. Share Units granted prior to this date will continue to be unaffected by the approval or disapproval of this PRSU Plan Resolution; provided, however, that if any such Share Units are cancelled prior to being exercised, they will not be available for reallocation unless the PRSU Plan Resolution is approved.

Share Consolidation

At the Meeting, Shareholders will be asked to approve a special resolution authorizing the consolidation of the Common Shares into a lesser number of issued and outstanding Common Shares. The special resolution will authorize the Board to: (a) select a consolidation ratio of between five (5) and ten (10) pre-consolidation Common Shares for each one post-consolidation Common Share (the "Consolidation"); and (b) file articles of amendment giving effect to the Consolidation at the selected ratio.

As of the date of this Information Circular, the Corporation has 920,328,248 Common Shares issued and outstanding. The Corporation believes that the Consolidation, if implemented, will reduce the number of outstanding Common Shares to a level more consistent with industry peers and may enhance the marketability, liquidity, and trading price of the Common Shares.

If approved and implemented, the Consolidation will occur simultaneously for all of the Corporation's issued and outstanding Common Shares and the consolidation ratio will be same for all such Common Shares. The Consolidation will affect all holders of Common Shares uniformly and will not affect any Shareholder's percentage ownership interest in the Corporation, except to the extent that the Consolidation would otherwise result in a Shareholder owning a fractional Common Share. No fractional post-Consolidation Common Shares will be issued and no cash will be paid in lieu of fractional post-Consolidation Common Shares. Any fractional Common Shares resulting from the Consolidation will be rounded to the nearest whole Common Share with fractions equal to 0.5 being rounded up to the nearest whole Common Share. There is the possibility that the Consolidation may result in certain shareholders holding "odd lots," which is a securities order with fewer shares than the standard trading unit, usually under 100 in stock transactions. Transactions involving odd lot Common Shares may be subject to higher brokerage commissions and additional transaction costs compared to those involving "round lots," which represent even multiples of a board lot.

The Corporation is authorized to issue an unlimited number of Common Shares, and the Consolidation will not affect the total number of Common Shares authorized for issuance. The exercise or conversion price and the number of Common Shares issuable under any convertible securities of the Corporation will be proportionately adjusted upon the completion of the Consolidation.

The Consolidation is subject to: (a) acceptance by the TSX; and (b) the approval of the Consolidation by the Shareholders at the Meeting. If these approvals are received, the Consolidation will occur at a time determined by the Board and announced by a press release of the Corporation. Notwithstanding approvals being received, the Board may determine not to proceed with the Consolidation, at its discretion.

Pursuant to section 173(1)(f) of the *Business Corporations Act* (Alberta) (the "ABCA"), the Consolidation must be approved by a special resolution of Shareholders. Accordingly, to be adopted, the special resolution must be approved by at least two-thirds of the votes cast at the Meeting by Shareholders in person or represented by proxy.

At the Meeting, Shareholders will be asked to consider, and if thought appropriate, pass the following special resolution:

"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

1. the Corporation is authorized to file articles of amendment pursuant to section 173(1)(f) of the *Business Corporations Act* (Alberta) (the "ABCA") to change the number of issued and outstanding common shares ("Common Shares") in the capital of the Corporation by consolidating the issued and outstanding Common Shares on the basis of a ratio to be selected by the board of directors of the Corporation (the "Board") between five (5) and ten (10) pre-Consolidation Common Shares for each one (1) post-Consolidation Common Share (the "Consolidation") or for such other lesser whole or fractional number of existing Common Shares that the directors, in their sole discretion, determine to be appropriate, and in the event that the Consolidation would otherwise result in a holder of

Common Shares holding a fraction of a Common Share, any fractional interest in Common Shares that is less than 0.5 of a Common Share resulting from the Consolidation will be rounded down to the nearest whole Common Share and any fractional interest in Common Shares that is 0.5 or greater of a Common Share will be rounded up to the nearest whole Common Share, such amendment to become effective at a date in the future to be determined by the Board when the Board considers it to be in the best interests of the Corporation to implement such a Consolidation, but in any event not later than the business day immediately prior to the Corporation's next annual general meeting, subject to approval of the Toronto Stock Exchange;

2. any director or officer of the Corporation is authorized and directed for and in the name of and on behalf of the Corporation to execute and deliver or cause to be delivered articles of amendment to the Registrar under the ABCA and to execute and deliver or cause to be delivered all documents and to take any action which, in the opinion of that person, is necessary or desirable to give effect to this special resolution;
3. notwithstanding that this special resolution has been duly passed by the holders of the Common Shares, the directors of the Corporation may in their sole discretion revoke this special resolution in whole or in part at any time prior to its being given effect without further notice to, or approval of, the holders of the Common Shares; and
4. any one director or officer of the Corporation be and the same is hereby authorized and directed for and in the name of and on behalf of the Corporation to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in order to carry out the terms of this resolution, such determination to be conclusively evidenced by the execution and delivery of such documents or the doing of any such act or thing."

Other Matters Coming Before the Meeting

The Board knows of no other matters to come before the Meeting other than as referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by proxy solicited hereby will be voted on such matters in accordance with the best judgement of the person voting such proxy.

SUMMARY OF DIRECTORS' COMPENSATION

The directors of the Corporation are entitled to receive compensation for services in their capacity as directors. Members of the Board of Directors are entitled to be reimbursed for all reasonable expenses incurred to attend meetings. In addition, the performance and restricted share unit plan (the "PRSU Plan") allows for the grant of Share Units (as defined below) to directors.

On April 30, 2018, the Board approved the adoption of a deferred share unit plan (the "DSU Plan") to grant deferred share units ("DSU") to non-employee directors. No Common Shares will be issued under the DSU Plan and all DSUs granted are settled in cash. DSUs may only be granted in lieu of cash fees for non-employee directors on a value-for-value basis. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. As further described below, the DSU Plan provides for a cash payment equal to the closing price of the Common Shares on the trading day prior to payment multiplied by the number of notional Common Shares underlying the DSUs held by a director after such director ceases to be a director of the Corporation. In addition to providing for the grant of DSUs to non-employee directors, non-employee directors also have the option to elect to receive DSUs in lieu of receiving their annual cash retainers.

Deferred Share Unit Plan

The purpose of the DSU Plan is to: (a) promote a proprietary interest in the Corporation and a greater alignment between non-employee directors of the Corporation and Shareholders; (b) provide a compensation system for directors that is reflective of the responsibilities, commitments and risks accompanying the role of a director; and (c) assist the Corporation in attracting experienced individuals to serve as directors.

The Board administers the DSU Plan, which has the authority to grant DSU awards under the DSU Plan to non-employee directors. The DSU Plan may be amended, suspended or terminated at any time by the Board. The DSUs granted thereunder are not transferable or assignable except in the case of death. There were 7,393,961 DSUs outstanding under the DSU Plan as at December 31, 2025, and 7,879,036 DSUs outstanding under the DSU Plan as at May 12, 2026.

No Common Shares will be issued under the DSU Plan and all DSUs granted are settled in cash. DSUs vest on the date they are granted but directors are only entitled to receive the value of the DSUs once they cease to be a director of the Corporation. Under the DSU Plan, directors may elect to receive up to 100% of their annual retainer in the form of DSUs.

The cash payment to be received will be equal to the number of DSUs held by the director on the date the director ceased to be a director after giving effect to adjustments for dividends, multiplied by the closing price of the Common Shares on the TSX on the trading day immediately prior to the date the payment is to be made, less all applicable withholding taxes.

Under no circumstances shall DSUs be considered Common Shares or other securities of the Corporation, nor shall they entitle any participant to exercise voting rights or any other rights attaching to the ownership of Common Shares or other securities of the Corporation, including, without limitation, voting rights, dividend entitlement rights or rights on liquidation, nor shall any participant be considered the owner of Common Shares by virtue of an award of DSUs. Notwithstanding the foregoing, and without conferring any rights as Shareholders to the holders thereof, DSUs held by directors are included in calculating achievement of share ownership guidelines.

For further information on compensation paid to the non-employee directors of the Corporation, see "Summary of Directors' Compensation – Director Compensation Table" below. For a description of the compensation paid to Manuel Pablo Zúñiga-Pflücker, a director and the President and Chief Executive Officer of the, see "Summary of Directors' Compensation – Summary Compensation Table".

Director Compensation Table

The below table sets forth for each of the Corporation's directors, other than in the capacity of NEO, all amounts of compensation earned, paid and payable, for the Corporation's most recently completed fiscal year ended December 31, 2025. Mr. Zúñiga-Pflücker does not receive compensation fees or share-based awards for his role as director of the Corporation and is required to meet PetroTal's CEO share ownership requirement. He currently exceeds those requirements (see page 6).

Notes:

- (1) Fees earned by the directors were paid in US dollars.
- (2) The compensation reported under share-based awards is the value of DSUs granted in the year ended December 31, 2025. The value of DSUs is based on the number of DSUs granted multiplied by the closing price per Common Share on the TSX for the trading day prior to the date of the grant. This methodology for calculating the fair value of the DSU awards on the grant date is consistent with the initial fair value determined in accordance with IFRS 2. As a result, the total compensation expense for these DSU grants under IFRS for the year ended December 31, 2025, was CAD \$0.385 or USD \$0.281.
- (3) Ms. Abudinen was appointed as director of PetroTal effective as of April 25, 2025.

STATEMENT OF EXECUTIVE COMPENSATION

Pursuant to National Instrument 51-102 – Continuous Disclosure Obligations, the Corporation is required to disclose certain information with respect to its compensation of executive officers and directors, as summarized below.

Compensation Discussion and Analysis

All currency amounts expressed herein, unless otherwise indicated, are expressed in United States dollars. The following information relates to the Corporation's financial year ended December 31, 2025.

For the purpose of this statement of executive compensation, a "CEO" or "CFO" means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Corporation or acted in a similar capacity during the most recently completed financial year. A "Named Executive Officer" or "NEO" means: (a) each CEO, (b) each CFO, (c) each of the Corporation's three most highly compensated executive officers or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year and whose total compensation was, individually, more than CAD\$150,000 for that financial year, and (d) any additional individuals who would be a NEO under subsection (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the NEOs in respect of the year ended December 31, 2025, were: Manuel Pablo Zúñiga-Pflücker, President and Chief Executive Officer; Camilo McAllister, Executive Vice President and Chief Financial Officer; Amaris Cardona, Chief People and Culture Officer; Jose Contreras, former Chief Operating Officer; and Sudan Maccio, former Chief Legal Counsel and Corporate Secretary. Jose Contreras departed as Chief Operating Officer effective June 13, 2025 and Sudan Maccio departed as Chief Legal Counsel and Corporate Secretary on January 30, 2026.

Compensation Philosophy, Objectives and Governance

The Corporate Governance and Compensation Committee, on behalf of the Board, monitors compensation for the executive officers and directors of the Corporation and is currently comprised of Messrs. McComiskey, Harris and Wilson. Mr. McComiskey is the Chair of the Corporate Governance and Compensation Committee. The Corporate Governance and Compensation Committee has the authority to engage and compensate, at the expense of the Corporation, any outside advisor that it determines to be necessary for the proper functioning of the committee.

The executive compensation program adopted by the Corporation and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Corporation. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term Shareholder value.

Compensation Process

The Corporate Governance and Compensation Committee relies on the knowledge and experience of its members to set appropriate levels of compensation for the directors and NEOs. When determining NEO compensation, the Corporate Governance and Compensation Committee uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Corporation, responsibilities of the particular NEO and retention of the NEOs, who are considered by the Corporate Governance and Compensation Committee to be essential to the success of the Corporation. The Corporate Governance and Compensation Committee did not update benchmarking for the purpose of establishing compensation levels relative to any predetermined level and did not compare its compensation to a specific peer group of companies. The last independent compensation benchmarking assessment was from 2023. The

Corporate Governance and Compensation Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, incentive bonuses and awards of performance share units ("PSUs") and restricted share units ("RSUs", and together with PSUs as "Share Units") of the Corporation) and recommends the NEOs' compensation packages to the Board. The majority of each long-term incentive award is in performance-based equity where value creation depends on meeting metrics set for the performance period and increasing share price, which benefits all Shareholder.

Peer Group

The Corporation's peer group is comprised of oil and natural gas exploration, development and production companies headquartered in North America. Several of the companies have international operations, similar to PetroTal. The companies in the peer group are approved by the Corporate Governance and Compensation Committee, upon management's recommendation. The composition of the group will continue to be reviewed annually by the Corporate Governance and Compensation Committee for its ongoing business relevance to PetroTal. The goal is for PetroTal to rank in approximately the 50th percentile of key financial metrics compared to its peers, including market capitalization and oil equivalent production. The following table summarizes PetroTal's peer group by Market Capitalization (as of December 31, 2025) and oil production (2025 annual average).

Compensation Risk

The Corporate Governance and Compensation Committee has assessed the Corporation’s compensation plans and programs for its executive officers to ensure alignment with the Corporation’s business plan and to evaluate the potential risks associated with those plans and programs. The Corporate Governance and Compensation Committee has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Corporation. The Corporate Governance and Compensation Committee considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

Additional key risk mitigating features of PetroTal’s executive compensation program include the following:

- pay-out value of PSUs is tied to certain key performance indicators relating to the Corporation’s total Shareholder return, net asset value and certain production and operational milestones as evaluated by the Corporate Governance and Compensation Committee and do not offer minimum guaranteed payouts, aligning executive compensation with Shareholder returns;
- a mix of fixed and variable compensation, and an appropriate weighting of long-term equity-based compensation;

- PSUs issued to the officers vest at the end of three (3) years to reward achievement of long-term financial and relative share price performance objectives and enhance retention;
- clawback and Anti-Hedging Policies (each as defined below) are in place; and
- executive officers are subject to share ownership guidelines in line with market practice.

Anti-Hedging Policy

The Corporation has adopted a written anti-hedging policy (the “Anti-Hedging Policy”) that prohibits a NEO or director, among others, from purchasing financial instruments, including prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds, that are designed to or that may reasonably be expected to have the effect of hedging or offsetting a decrease in the market value of any securities of the Corporation.

The Anti-Hedging Policy has been implemented to ensure that directors, executive officers and employees of the Corporation are prohibited from hedging or monetizing transactions in order to lock in the value of their securities of the Corporation. Examples would include the entry into prepaid variable forward contracts, instruments for the short sale or purchase or sale of call or put options, equity swaps, collars, or units of exchangeable funds that have the effect of offsetting a decrease in the market value of securities held in the Corporation.

In addition, pursuant to the Anti-Hedging Policy governing insider trading, short term speculative trading of the Common Shares by officers, directors and employees is strongly discouraged as it conflicts with the best interests of the Corporation and its Shareholders. Consequently, insiders including the Corporation’s NEOs, directors and their related persons, are not only discouraged from frequently trading the Common Shares, but are also specifically prohibited from short selling any Common Shares and from trading in any derivative instruments involving the Corporation’s securities.

Clawback Policy

The Corporation has implemented a written clawback policy (the “Clawback Policy”) for situations where a director, executive officer or other employee receives additional incentive compensation as a result of his or her own misconduct (the “Overpayment Amounts”). In such situations, the director, executive officer or other employee shall be obligated to reimburse the Corporation for such Overpayment Amounts and the Board shall be given the discretion to determine the steps required to effect such recovery.

Share Ownership Guidelines

The Board adopted share ownership guidelines (the “Ownership Guidelines”) effective May 30, 2018, to further align the interests of the Corporation’s executive officers and non-executive directors of the Corporation with the long-term interests of Shareholders. The Ownership Guidelines require that, within three (3) years of joining the Corporation, each executive officer or non-executive director has a minimum holding of Common Shares or Common Share equivalents, including PSUs and RSUs under the PRSU Plan and deferred share units (“DSUs”), that have an aggregate value of at least:

- three (3) times the annual base salary for the CEO;
- two (2) times the annual base salary for each other officer of the Corporation; and
- three (3) times the amount of the annual Board retainer for each non-executive director.

We have implemented share ownership guidelines for all of our executives, which are designed to align their long-term financial interest with those of our stockholders. The NEO share ownership guidelines are as follows:

Name and Position	Common Shares	PSUs	Estimated Value	Guideline	Ownership relative to base salary as of 12/31/25
	(#)	(#)	(\$) ⁽¹⁾	(\$) ⁽²⁾	
Manuel Pablo Zúñiga-Pflücker <i>President, Chief Executive Officer and Director</i>	12,208,632	6,696,441	\$5,312,324	\$1,560,000	Exceeds

Elements of Executive Compensation

The Corporation's executive compensation program consists of three significant components: (a) base compensation in the form of salary; (b) incentive bonuses in the form of cash payments; and (c) long-term compensation in the form of PSUs and RSUs. For the NEOs, the PSU and RSU components are an essential part of their compensation. No NEO or director of the Corporation is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation, or held, directly or indirectly, by a NEO or director of the Corporation.

Base Compensation

The base salary amounts for each executive officer are targeted within a competitive range of the market median of the Corporation's peer comparator group and are reviewed periodically. The positioning of an executive's salary within the range is based on the executive officer's current and sustained performance, skills or potential, and the scope of the executive's responsibilities as compared to market. Base salary is the fixed portion of each executive officer's total compensation. It is designed to provide income certainty and compensate for the executive's primary duties. The base salary for the President and CEO is approved by the Board, upon the recommendation of the Corporate Governance and Compensation Committee. The base salary level for all other Executives is recommended by the President and CEO for consideration and Board approval by the Corporate Governance and Compensation Committee. Decisions for all positions are based upon comprehensive analyses of market data for similar positions, including the peer comparator group and the noted industry compensation survey.

Incentive Bonuses

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performance for executive officers. The target annual incentive bonus for senior Executives of the Corporation is 100% of base salary, with a range of 0% in certain circumstances, up to 200% for significant outperformance relative to key performance indicators ("KPI"). The 100% target payout is generally aligned with key corporate objectives, as approved by the Board and set forth in the annual budget and public guidance, and is weighted 80% to achievement of KPI's, with the 20% balance at discretion of the Board of Directors. In 2025, PetroTal's management team achieved a 31.4% payout on the 80% portion of the annual incentive plan that was linked to the KPI scorecard.

PSUs and RSUs

To provide a long-term component to the executive compensation program, executive officers of the Corporation are eligible to receive PSUs and RSUs. The maximization of Shareholder value is encouraged by granting PSUs and RSUs since such grants provide an incentive to Eligible Persons (as defined below) to further the development, growth and profitability of the Corporation. Consideration will be given to granting PSUs and RSUs amongst the various organizational levels of management, including directors, officers and certain consultants. The CEO makes recommendations to the Board for the CFO and other key employees. These recommendations take into account factors, such as awards made in previous years, the number of PSUs and RSUs outstanding per individual and the level of responsibility. The Board, as a whole, determines the PSUs and RSUs to be issued to the CEO. See “Summary of Directors’ Compensation – PRSU Plan” below, for more details.

- (1) Represents PSUs granted under the PRSU Plan. Amounts reflect the grant date fair market value of PSUs granted in accordance with the PRSU Plan. Fair value of the PSUs is determined through a combination of Black-Scholes and probability weighted models. The following assumptions were used for the Black-Scholes valuation of the PSUs granted: an expected life of 1-3 years, a risk-free interest rate of 2.0% and expected annualized volatility of 50%. Each PSU entitles the holder thereof upon settlement to receive up to two (2) Common Shares subject to the achievement of performance conditions relating to total Shareholder return, net asset value and certain production, environmental, safety and operational milestones and in accordance with the PRSU Plan. The PSU grants vest on the third (3rd) anniversary of the date of the grant. PRSU Plan

On June 15, 2023, the Shareholders, by ordinary resolution, ratified and approved the adoption of the Corporation's PRSU Plan. Prior to the date of this Information Circular, the Board approved certain amendments to the 2023 version of the PRSU Plan. The full text of the 2026 version of the PRSU Plan is attached as Schedule "B" to this information circular of the Corporation dated May 12, 2026, which is available under the Corporation's SEDAR+ profile at www.sedarplus.ca, and a summary of the material provisions of the 2026 version of the PRSU Plan is set forth below.

General

The purpose of the PRSU Plan remains to provide directors, officers, employees and consultants of the Corporation or any of its subsidiaries ("Eligible Person" and if an Eligible person has been granted PSUs or RSUs, the "Participant") with the opportunity to acquire Share Units to allow them to participate in the long-term success of the Corporation and to promote a greater alignment of their interests with the interests of the Shareholders.

The PRSU Plan is administered by the Board, or, as permitted by applicable law, the Corporate Governance and Compensation Committee of the Board.

Description of the PRSU Plan

Pursuant to the policies of the TSX, the Corporation is permitted to maintain a "rolling" plan, such as the PRSU

Plan, provided that the plan, as well as the granting of unallocated PSUs thereunder, are approved by the Shareholders every three years thereafter. As of the date of this Information Circular, the Corporation has 14,563,862 PSUs and 623,003 RSUs allocated and outstanding under the PRSU Plan, representing 1.6% of the issued and outstanding Common Shares, and 76,845,960 PSUs unallocated share awards (representing 8.35% of the issued and outstanding Common Shares) that may be granted in the future under the PRSU Plan. The unallocated portion represents the maximum future grants available under the PRSU Plan.

Share Units and Eligibility

PSUs may be awarded to persons who are Eligible Persons as the Board or the Corporate Governance and Compensation Committee determines. Notwithstanding the foregoing, non-employee directors are not eligible to be awarded PSUs. PSUs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Corporation in accordance with the PRSU Plan, based on the achievement of performance criteria set out in an applicable award notice.

RSUs may be awarded to Eligible Persons as the Board or the Corporate Governance and Compensation Committee determines. RSUs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Corporation in accordance with the PRSU Plan.

The number of Share Units (including fractional Share Units) to be credited as of the date on which Share Units are awarded to an Eligible Person (the "Award Date") shall be determined by the Corporate Governance and Compensation Committee in its sole discretion. Upon receipt of acknowledgment in the manner specified under the PRSU Plan, Share Units shall be credited to an account maintained for each Eligible Person on the books of the Corporation, effective as of the Award Date for that grant.

Vesting

Each Share Unit will vest on such terms as shall be specified by the Board or the Corporate Governance and Compensation Committee at the time of granting Share Units as reflected in any written or electronic communication (including notice or other messages provided via an equity administration platform) evidencing an award of Share Units, which shall include the terms applicable thereto (including but not limited to the any vesting schedule that will apply to the award instead of the default vesting schedule described in the PRSU Plan), as approved by the Board or the Corporate Governance and Compensation Committee ("Award Notice"). Unless otherwise stipulated by the Board at the time of grant and subject to earlier vesting in accordance with the terms of the PRSU Plan:

- (a) Share Units granted to a Participant who is a senior executive officer designated by the Board or Corporate Governance and Compensation Committee, shall vest on the third January 1st following the Award Date, provided that the Participant has continually remained an employee of the Corporation or provided services to the Corporation or an affiliate; and
- (b) Share Units granted to an Participant other than a senior executive officer designated by the Board or Corporate Governance and Compensation Committee, one-third (1/3) shall vest on the January 1st following the Award Date, and one-third (1/3) shall vest on each of the subsequent two January 1 dates thereafter, provided the Participant has remained an employee of the Corporation or provided services to the Corporation or an affiliate.

Performance Vesting

In connection with the grant of PSU, the Board or Corporate Governance and Compensation Committee may establish a target value or number of PSUs established at or prior to the commencement of a performance period and granted under an Award Notice (the "Target Award") and the applicable Performance Measures (as defined below) for any performance period. After the end of the applicable performance period, the Board or Corporate Governance and Compensation Committee shall determine the extent to which the Target Award has been earned based on the applicable Performance Measures and an Adjustment Factor (as defined below) in respect of any PSU, the Board or the Corporate Governance and Compensation Committee shall assess the performance

of the Corporation for the applicable period. The performance measures to be taken into consideration in determining earned PSUs and determining the adjustment factor in respect of any PSU shall be established by the Board or the Corporate Governance and Compensation Committee, in its sole discretion, and may include: (i) corporate-level performance (including key performance indicators or “KPIs”), including, without limitation, the total Shareholder return of the Common Shares compared to an index, subindex or identified group of peers and the Corporation’s performance compared to identified operational or financial targets or business unit performance; and (ii) individual performance or evaluations. Corporate-level Performance Measures (including KPIs) may be evaluated at the Company level, while individual Performance Measures may vary by Participant (the “Performance Measures”). The Board or Committee may take into account the achievement of such Performance Measures, in whole or in part, together with any other factors it considers relevant, in determining the Adjustment Factor and/or the number or value of Performance Share Units earned. The applicable adjustment factor may be between a minimum of zero and such maximum as determined by the Board or the Corporate Governance and Compensation Committee (provided such maximum shall not exceed 2.0) (the “Adjustment Factor”). Unless otherwise determined by the Board, the performance period is the calendar year.

Unless otherwise stipulated by the Board at the time of grant and subject to earlier vesting in accordance with the terms of the PRSU Plan:

- (a) Share Units granted to a Participant who is a senior executive officer designated by the Board or Corporate Governance and Compensation Committee, shall vest in full on the third January 1st following the end of the performance period to which the Target Award relates, provided that the Participant has continually remained an employee of the Corporation or provided services to the Corporation or an affiliate; and
- (b) Share Units granted to a Participant other than a senior executive officer designated by the Board or Corporate Governance and Compensation Committee, one-third (1/3) shall vest on the first day of the month following the date on which the Board or Corporate Governance and Compensation Committee determines the earned PSUs, but in any event no later than July 30th following the end of the performance period and one-third (1/3) shall vest on each of the subsequent two January 1 dates thereafter, provided the Participant has remained an employee of the Corporation or provided services to the Corporation or an affiliate.

Credits for Dividends

If the Award Notice provides that Dividend Equivalents will be credited in respect to the relevant Share Units, then on the payment date for such dividend, each Eligible Person’s notional account shall, unless otherwise determined by the Board in respect of any grant of Share Units, be credited with additional Share Units (“Dividend Equivalents”). Such Dividend Equivalents vest in proportion to and on the same vesting date as the underlying PSUs or RSUs, as applicable.

Settlement

Unless otherwise determined by the Board in its sole discretion, the date of settlement of any Share Unit (a “Distribution Date”) shall be the applicable vesting date for such Share Unit pursuant to the PRSU Plan, provided that, for greater certainty, the Board may in its sole discretion impose additional or different conditions to the termination of the Distribution Date of any Share Unit.

On the Distribution Date, the Board or the Corporate Governance and Compensation Committee, as applicable, in its sole discretion, shall have the option of settling the Common Shares issuable in respect of Share Units by any or all of the following methods: (a) settlement in Common Shares acquired by the Corporation on the TSX; (b) the issuance of Common Shares from the treasury of the Corporation; or (c) payment by the Corporation of a cash amount per Share Unit equal to the Settlement Market Value (as defined below) of the Payment Shares (as defined below) on the Distribution Date, net of applicable withholding tax. The Settlement Market Value per share is the VWAP of the Common Shares listed on the TSX, calculated by dividing the total value of the total volume of Common Shares traded for the relevant period, for the five (5) trading days immediately preceding

the Distribution Date. With respect to any Share Units awarded to a participant who is a U.S. taxpayer, the Distribution Date shall be determined in a manner that complied with or is exempt from Section 409A.

Subject to any election by the Board or the Corporate Governance and Compensation Committee, as applicable, to settle a Share Unit in cash, as soon as practicable after each Distribution Date and in any event no later than December 31 of the calendar year in which such Distribution Date occurs, the Corporation shall issue to the Participant a number of Common Shares equal to the number of Share Units in the Participant's account that became payable on the Distribution Date (the "Payment Shares"). As of the Distribution Date, the Share Units in respect of which such Common Shares are issued or cash is paid shall be cancelled and no further payments shall be made to the Participant under the PRSU Plan in relation to such Share Units.

Total Shares Subject to Share Units

Unless otherwise approved by the TSX and the Shareholders:

- (i) the securities that may be issued to participants shall consist of those authorized but unissued Common Shares which the Board and/or the Corporate Governance and Compensation Committee has, in its discretion, reserved for issuance under the PRSU Plan from time to time;
- (ii) subject to certain adjustment provisions described in the PRSU Plan, the aggregate number of Common Shares that may be issuable pursuant to the PRSU Plan and all other security-based compensation arrangements, shall not exceed 10% of the issued and outstanding Common Shares from time to time, as determined by the Board;
- (iii) the Board shall not grant Share Units under the PRSU Plan if the number of Common Shares issuable pursuant to outstanding Share Units, when combined with the number of Common Shares issuable pursuant to outstanding securities under any other security-based compensation arrangements of the Corporation, would exceed 10% of the issued and outstanding Common Shares at the time of the grant;
- (iv) the number of securities issuable to insiders of the Corporation, at any time, under all security-based compensation arrangements including, without limitation, the PRSU Plan, shall not exceed 10% of the issued and outstanding securities of the Corporation at the time of grant calculated on a non-diluted basis;
- (v) the number of securities issued to insiders of the Corporation, within any one (1) year period, under all security-based compensation arrangements including, without limitation, the PRSU Plan, shall not exceed 10% of the issued and outstanding securities of the Corporation at the time of grant calculated on a non-diluted basis;
- (vi) the aggregate: (i) number of Common Shares that may be reserved for issuance pursuant to the exercise of RSUs granted to non-employee directors pursuant to the PRSU Plan shall not exceed 1.0% of the Common Shares outstanding from time to time; and (ii) value of RSUs granted to any one non-employee director in any calendar year under the PRSU Plan and under any other security-based compensation arrangements shall not exceed \$150,000;
- (vii) to the extent Share Units are exercised or to the extent any Share Units are terminated for any reason or are cancelled, the Common Shares subject to such Share Units shall be added back to the number of Common Shares reserved for issuance under the PRSU Plan and such Common Shares will again become available for Share Unit grants under the PRSU Plan; and
- (viii) if the acquisition of Common Shares by the Corporation for cancellation should result in any of the above tests no longer being met, this shall not constitute non-compliance with the PRSU Plan for any awards outstanding prior to such purchase of Common Shares for cancellation.

For purposes of the calculations above, the PRSU Plan provides that it shall be assumed that all issued and outstanding Share Units will be settled by the issuance of Common Shares from treasury, notwithstanding the Corporation's right to settle Share Units in cash or by purchasing Common Shares on the open market.

Duration of Share Units

Each Share Unit and all rights thereunder shall be expressed to expire on the date set out in the Award Notice and shall be subject to earlier termination by a “separation from service” within the meaning of Section 409A of the Code and the Treasury Regulations thereunder.

Subject to the rules and regulations of the TSX, and notwithstanding any other provisions of the PRSU Plan, if the Distribution Date of any Share Unit occurs during or within 10 business days following the end of a Black-Out Period (as defined below), the settlement of such Share Unit shall be extended for a period of 10 business days following the end of the Black-Out Period (or such longer period as permitted by the Exchange or any other exchange on which the Common Shares are listed and approved by the Board). Notwithstanding the foregoing, to the extent applicable, the settlement of such Share Units shall be determined in a manner that complies with or is exempt from Section 409A. “Black-Out Period” for the purposes of the PRSU Plan means the period of time when, pursuant to any policies of the Corporation, any securities of the Corporation may not be traded by certain persons as designated by the Corporation, including any holder of a Share Unit.

Amendments Subject to Shareholder Approval

The Board has the absolute discretion to amend or terminate the PRSU Plan and any outstanding Share Units. Any amendments to the PRSU Plan and Share Units thereunder are subject to TSX approval. The only amendments to the PRSU Plan that would be subject to Shareholder approval are amendments that would:

- (i) increase the number of securities issuable under the PRSU Plan otherwise than in accordance with the terms of the PRSU Plan;
- (ii) increase the number of securities issuable to an insider of the Corporation, as such term is defined in the policies of the TSX, otherwise than in accordance with the terms of the PRSU Plan;
- (iii) extend the Distribution Date of any Share Units held by insiders of the Corporation, as such term is defined in the policies of the TSX, beyond the original Final Date of the Share Units;
- (iv) reduce the award market value of any Share Units held by insiders of the Corporation, as such term is defined in the policies of the TSX, otherwise than in accordance with the terms of the PRSU Plan;
- (v) add any form of financial assistance to a participant in the PRSU Plan;
- (vi) permit a participant to transfer any Share Units to a new beneficial holder other than for estate settlement purposes;
- (vii) increase the maximum number of RSUs that may be granted to non-employee directors; and
- (viii) amend the amendment provisions of the PRSU Plan; and
- (ix) The original PRSU Plan, prior to the amendments adopted by the Board in conjunction with the Corporation’s graduation to the TSX, relied on applicable securities legislation for the definition of “insider”. In accordance with the policies of the TSX, the amendments to the PRSU Plan update this definition to mean an insider as such term is defined in the policies of the TSX.

Burn Rate

The Corporation’s burn rate, calculated in accordance with Section 613(p) of the TSX Company Manual, under the PRSU Plan, was 0.9% in fiscal 2023, 1.1% in fiscal 2024 and 1.4% in fiscal 2025¹. Management expects that the burn rate in fiscal 2026 will be approximately 1%. The burn rate is subject to change from time to time, based on the number of Share Units granted and the weighted average of Common Shares issued and outstanding. The burn rate for a given period is calculated by dividing the number of Share Units granted under the PRSU Plan during the applicable fiscal year by the weighted average of Common Shares outstanding during such period.

¹ 2023: 7.7 million Share Units granted divided by 900.1 million W/A shares outstanding
2024: 9.91 million Share Units granted divided by 914.5 million W/A shares outstanding
2025: 12.5 million Share Units granted divided by 914.6 million W/A shares outstanding

Below is a discussion of the Corporation’s approach to corporate governance.

The Board meets regularly to consider and approve the strategic objectives of the Corporation and the management plans designed to accomplish those objectives. When appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak on these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions, and financing proposals. The Board approves, among other things, all issuances of securities of the Corporation, the appointment of officers, entering into lines of credit or other significant borrowing activities, and all significant transactions. that is independent of management and interested directors, the meeting breaks into an in-camera session among the independent and disinterested directors.

The Board currently consists of eight (8) directors, seven (7) of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. McComiskey, Wilson, Harris, Arbelaez Hoyos and Messes. Barker, Abudinen and Morris are independent and collectively constitute 87.5% of the Board. As of the date of this Information Circular, there are no board interlocks among Board members.

Some of PetroTal’s directors sit on boards of other public companies. None of PetroTal’s directors are “over-boarded” as currently defined by the guidelines established by either Institutional Shareholder Services, Inc. or Glass, Lewis & Co. Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSX for effective corporate governance, including NP 58 201. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "Code") wherein directors, officers and employees of the Corporation and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. Interested Shareholders may obtain a copy of the Code upon request (free of charge) by contacting the Corporation's legal counsel at Suite 4200, 888 – 3rd Street S.W., Calgary, Alberta T2P 5C5 or by accessing the Corporation's SEDAR+ profile at www.sedarplus.ca.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Chief Financial Officer. Compliance with the Code is monitored primarily through the reporting process within the Corporation's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect to same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Corporation and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or the committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. Assessments

The Board is responsible for assessing, on an ongoing basis, the overall performance and effectiveness of the Board, its committees and the contributions of individual directors. The objective of this review is to contribute to a process of continuous improvement in the Board's execution of its responsibilities. The review helps identify any areas where the directors of the Corporation or management believe that the Board could make a better collective contribution to overseeing the affairs of the Corporation. The Board is also responsible for regularly assessing the effectiveness and contribution of each director, having regard to the competencies and skills each director is expected to bring to the Board. The Board relies on evaluations of director effectiveness through both formal and informal communications with Board members and through participation with other Board members on committees and matters relating to the Board. Each year, the Corporate Governance and Compensation Committee assesses the contributions of individual directors in reviewing the performance of directors and the Board with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments.

PetroTal's Board of Directors completed its most recent assessment in September 2025. The assessment was conducted via anonymous, online survey, with key objectives including 1) assessment of overall Board and committee effectiveness, 2) consistency of Board mandates with existing committee charters and work plans, 3) consider amendments to Board and committee procedures as needed, and 4) consider emerging governance trends and other issues relevant to the Company. The results of the survey were provided to the Chair of the Corporate Governance and Compensation Committee and were later shared in a presentation to the rest of the Board.

Succession Planning

The Board of Directors recognizes succession planning as an important part of its oversight responsibilities and the long-term sustainability of PetroTal. The Board, together with the Corporate Governance and Compensation Committee, maintains an ongoing process to support the orderly succession of the President and Chief Executive Officer ("CEO") and other members of senior management.

The Corporate Governance and Compensation Committee reviews succession considerations for senior officers periodically as part of its mandate. These discussions are held in conjunction with the CEO and include updates on leadership performance, organizational needs, and the development of internal talent. The Board places particular focus on CEO succession, including both short-term contingency planning and longer-term leadership development.

Succession planning is also discussed at Board and committee meetings, including in camera sessions, where directors consider management development and alignment with the Company's strategic objectives. The Board participates in the annual evaluation of the CEO and provides input on the broader executive team.

PetroTal supports the development of its leadership pipeline through ongoing performance management, development planning, and exposure of senior management to the Board, including participation in Board and strategic planning sessions.

Director Term Limits and Other Mechanisms of Board Renewal

PetroTal does not have a term limit or retirement policy for directors or other mechanisms of board renewal because:

- the imposition of director term limits on a Board implicitly discounts the value of experience and continuity amongst Board members and runs the risk of excluding experienced and potentially valuable Board members as a result of an arbitrary determination;
- the Corporation has found that having long-standing directors on its Board does not negatively impact board effectiveness, and instead contributes to boardroom dynamics such that the Corporation has for many years had a consistently high performing Board;
- it is important to ensure that directors with significant and unique business experience in the Corporation's industry be retained;
- the impositions of rigid, prescribed term limits on the tenure of directors implies that boards cannot properly govern themselves, by usurping core functions of the Board and replacing them with fixed criteria that may not adequately represent the interests of Shareholders;
- it is important to retain directors who hold significant investments in the Corporation, such that their interests are aligned with the interests of the Corporation's Shareholders;
- directors with the level of understanding of the issuer's business, history and culture acquired through long service on the Board provide additional value;
- term limits run the risk of acting as a substitute for proper Board self-assessment and renewal;
- the Corporation takes the view that term limits are an arbitrary mechanism for removing directors which can result in valuable, experienced directors being forced to leave the Board solely because of length of service. It is in the best interest of the Corporation not to have a mandatory retirement requirement for directors;
- it is the Corporation's view that the Board should reflect a balance between the experience and learning that comes with longevity of service on the Board and the need for renewal and fresh perspectives;
- while term limits can help ensure the Board gains fresh perspective, imposing this restriction means the Board would lose the contributions of longer serving directors who have developed a deeper knowledge and understanding of the Corporation over time. The Board does not believe that long tenure impairs a director's ability to act independently of management; and
- the Board believes that term limits have the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Corporation and its operations and thereby provide an increasing contribution to the Board as a whole.

Instead, the Corporation believes that directors should be assessed based on their ability to continue to make a meaningful contribution. The Board's priorities continue to be ensuring the appropriate skill sets are present

amongst the Board to optimize the benefit to the Corporation. The Corporation believes that annual elections by the Shareholders are a more meaningful way to evaluate the performance of directors and to make determinations about whether a director should be removed due to under-performance. As of May 2026, the average tenure of the eight director nominees is approximately 5.9 years.

Board and executive team diversity

PetroTal is committed to maintaining a qualified and knowledgeable Board and recognizes the value of diversity in enhancing Board effectiveness. The Board considers a variety of diversity criteria in bringing expertise and perspectives to the Board, including gender, age, ethnicity, business experience, professional expertise, personal skills, and stakeholder perspectives. The Corporation has adopted a formal diversity policy (the “Diversity Policy”) which reflects this commitment and provides a framework for promoting diversity at the Board and executive levels.

Of the director nominees to be considered this year by Shareholders, three (3) of the eight (8) self-identify as racially or ethnically diverse (37.5%).

Policies Regarding the Representation of Women on the Board

The Corporation has adopted the Diversity Policy, which addresses the identification and nomination of diverse candidates, including women, for election to the Board. The Diversity Policy affirms the Board’s commitment to considering diversity of race, ethnicity, gender, age, cultural background, and professional experience in evaluating candidates for Board membership.

While the Board considers the level of representation of women and other diverse groups, the Corporation has not established formal targets, as it believes that flexibility in the identification and selection process supports the appointment of the most qualified candidates. The Board may review its approach from time to time to ensure alignment with evolving best practices and the Corporation’s needs.

Consideration of the Representation of Women in the Director Identification and Selection Process

When appointing individuals as potential candidates for election or re-election to the Board, the Corporate Governance and Compensation Committee considers diversity, including the representation of women, in accordance with the Diversity Policy.

The Corporate Governance and Compensation Committee remains focused on identifying the most qualified individuals to fill perceived needs on the Board for required skills, expertise, independence and other factors, while also considering diversity attributes that will complement the Board and support strong stewardship of the Corporation.

Consideration of the Representation of Women in the Executive Officer Appointments

When appointing individuals as potential candidates for executive officer positions, the Board considers diversity, including the representation of women, in accordance with the Diversity Policy.

In considering executive officer candidates, the Board seeks the most qualified individuals while taking into account the competencies, skills and diverse perspectives required to add value to the Corporation in light of the opportunities and risks it faces.

Targets regarding the Representation of Women on the Board and in Executive Officer Positions

The Corporation has not adopted formal targets regarding the representation of women on the Board or in executive officer positions. In line with the Diversity Policy, the Corporate Governance and Compensation Committee identifies, evaluates and recommends candidates based on merit, while considering diversity, including gender diversity, as one of several relevant factors.

In selecting director nominees and executive officer candidates, the Corporation considers the skills, expertise and backgrounds that would complement the existing Board or management team, as applicable. Directors and executive officers are recruited based on their qualifications, experience and ability to contribute to the Corporation.

Number of Women on the Board and in Executive Officer Positions

As of the date hereof, there are three (3) women on the Board, representing 37.5% of the total number of directors on the Board. One (1) of the four (4) executive officers of the Corporation of the total number of executive officers of the Corporation in 2025 is a woman. In the broader leadership group consisting of officers and managers, 8 of 27 are female.

ARTICLE 3 ADMINISTRATION

3.1 Administration of the Plan

- (a) This Plan shall be administered by the Board. The Board shall have full and final discretion to interpret the provisions of the Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the Plan. All decisions and interpretations made by the Board shall be binding and conclusive upon the Corporation and on all Eligible Persons, Participants, Permitted Assigns and all other Persons.
- (b) To the extent permitted by applicable law, the Board has delegated to the Committee, on such terms as it considers appropriate, the authority to administer this Plan and to grant Share Units, including such powers, duties and functions as are necessary or desirable for such purposes. Notwithstanding the foregoing, the Board retains ultimate authority with respect to the Plan and may, at any time, exercise any powers so delegated to the

Committee.

- (c) The Committee may, from time to time, delegate, on such terms as it considers appropriate, all or any of the powers, duties and functions relating to the granting of Share Units and the administration of the Plan, including the power to sub-delegate, to the extent permitted by applicable law, to any specified officer of the Corporation all or any of the powers delegated to the Committee; provided that any such sub-delegation shall not include the authority to approve grants, determine awards or allocations, or exercise discretionary authority in respect of the interpretation of the Plan. All decisions made by the Board, or by the Committee pursuant to the delegation described above, or a proper sub-delegation to a specified officer of the Corporation shall be final, binding and conclusive on the Corporation, the Participants and all other Persons.

3.2 Determination of Value if Shares Not Publicly Traded

If the Shares are not publicly traded on the Exchange at the relevant time such that the Award Market Value, the Dividend Market Value and/or the Settlement Market Value cannot be determined in accordance thereto, such value shall be determined by the Board acting in good faith.

3.3 Eligibility

Share Units shall be granted only to persons (each, an "**Eligible Person**") who are directors, officers, employees, or consultants of the Corporation or a subsidiary of the Corporation as the Board determines should receive Share Units in accordance with the applicable laws and the policies and rules of the Exchange. Notwithstanding the foregoing, Non-Employee Directors are not eligible to be awarded PSUs and are only eligible to be awarded RSUs under the Plan.

The Board reserves the right to restrict eligibility or otherwise limit the number of Persons eligible for participation in the Plan at any time. Eligibility to participate does not confer upon any individual a right to receive an award of Share Units pursuant to the Plan.

3.4 Total Shares Subject to Share Units

Unless otherwise approved by the Exchange and the shareholders of the Corporation:

- (a) the securities that may be issued to Participants pursuant to this Plan shall consist of those authorized but unissued Shares which the Board and/or Committee has, in its discretion, reserved and approved for issuance under the Plan from time to time;
- (b) subject to Section 4.13, the aggregate number of Shares that may be issuable pursuant to the Plan and all other Security-Based Compensation Arrangements shall not exceed 10% of the issued and outstanding Shares from time to time, as determined by the Board;
- (c) the Board shall not grant Share Units under the Plan if the number of Shares issuable pursuant to outstanding Share Units, when combined with the number of Shares issuable pursuant to outstanding stock options granted under the Corporation's stock option plan and outstanding securities under any other Security-Based Compensation Arrangements of the Corporation, would exceed 10% of the issued and outstanding Shares at the time of the grant;
- (d) the number of securities issuable to Insiders of the Corporation, at any time, under all Security-Based Compensation Arrangements including, without limitation, this Plan, shall not exceed 10% of the issued and outstanding securities of the Corporation at the time of grant calculated on a non-diluted basis;
- (e) the number of securities issued to Insiders of the Corporation, within any one-year period,

under all Security-Based Compensation Arrangements including, without limitation, this Plan, shall not exceed 10% of the issued and outstanding securities of the Corporation at the time of grant calculated on a non-diluted basis;

- (f) the aggregate: (i) number of Shares that may be reserved for issuance pursuant to the exercise of RSUs granted to Non-Employee Directors pursuant to this Plan shall not exceed 1.0% of the Shares outstanding from time to time; and (ii) value of RSUs granted to any one Non-Employee Director in any calendar year under the Plan and under any other Security-Based Compensation Arrangements shall not exceed \$150,000;
- (g) to the extent Share Units are exercised or to the extent any Share Units are terminated for any reason or are cancelled, the Shares subject to such Share Units shall be added back to the number of Shares reserved for issuance under the Plan and such Shares will again become available for Share Unit grants under the Plan; and
- (h) if the acquisition of Shares by the Corporation for cancellation should result in any of the tests above no longer being met, this shall not constitute non-compliance with this Section 3.4 for any awards outstanding prior to such purchase of Shares for cancellation.

For purposes of the calculations in this Section 3.4 only, it shall be assumed that all issued and outstanding Share Units will be settled by the issuance of Shares from treasury, notwithstanding the Corporation's right pursuant to Section 4.7 to settle Share Units in cash or by purchasing Shares on the open market.

3.5 Participant's Agreement to be Bound

- (a) Participation in the Plan is entirely voluntary and is at the discretion of the Eligible Person, and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. Should any Eligible Person elect to participate in the Plan by electing to receive Share Units through delivery of an acknowledgement in the manner specified in Section 3.5(b) or otherwise, such acknowledgement shall be construed as acceptance by the Eligible Person, of the terms and conditions of the Plan, and all rules and procedures adopted hereunder, as amended, assigned or assumed from time to time in accordance with the terms hereof.
- (b) Participation in the Plan and acceptance of an Award Notice may be evidenced by electronic acceptance or any other method determined by the Corporation (including through an electronic equity administration system). Such acceptance will constitute agreement to be bound by the terms of the Plan and the applicable Award Notice.

ARTICLE 4 AWARD OF SHARE UNITS

4.1 Award of Share Units

- (a) Subject to the provisions of the Plan and such other terms and conditions as the Committee or the Board may prescribe, the Committee may, from time to time, grant Share Units to any Eligible Person. Share Units shall be credited to an account maintained for each Participant on the books of the Corporation, effective as of the Award Date for that grant, provided that the Participant has evidenced the Participant's acknowledgement in the manner specified in Section 3.5. The number of Share Units (including fractional Share Units) to be credited as of the Award Date shall be determined by the Committee in its sole discretion.
- (b) Participants may be selected and awards may be made at any time. Participants need not be selected and awards need not be made at the same time by the Committee. Any award made to a Participant shall not obligate the Committee to make any subsequent awards to

that Participant.

- (c) Each Share Unit will vest in accordance with such terms as specified by the Board or Committee in the Award Notice, except as otherwise provided in this Plan.

4.2 Restricted Share Unit Vesting Period

Unless otherwise stipulated by the Board at the time of grant and subject to earlier vesting in accordance with the terms of this Plan:

- (a) for Participants other than senior executive officers designated by the Board or Committee, one-third (1/3) of the RSUs granted hereunder shall vest on the January 1st following the Award Date, and one-third (1/3) shall vest on each of the subsequent two January 1 dates thereafter, provided the Participant has continually remained in Active Employment or Active Engagement and has not incurred a Separation from Service through each such date; and
- (b) for Participants that are senior executive officers designated by the Board or Committee, RSUs granted hereunder shall vest on the third January 1st following the Award Date, provided the Participant has continually remained in Active Employment or Active Engagement and has not incurred a Separation from Service.
- (c) Each vesting date shall constitute the Distribution Date for the applicable portion of the vested RSUs, and such vested RSUs shall be settled in accordance with Section 4.7 and Section 4.8.

4.3 Performance Share Unit Vesting Period

- (a) In connection with the grant of Performance Share Units, the Board or Committee may establish a Target Award and the applicable Performance Measures for any performance period.
- (b) After the end of the applicable performance period, the Board or Committee shall determine the extent to which the Target Award has been earned based on the applicable Performance Measures and an Adjustment Factor, which may range from zero to such maximum as determined by the Board or Committee (not to exceed 2.0). The Adjustment Factor shall be applied to the Target Award to determine the number or value of Performance Share Units earned (the "Earned PSUs"). Such determination shall be made as soon as reasonably practicable following the end of the performance period, and in all events prior to July 1 following the end of the performance period.
- (c) Unless otherwise determined by the Board or Committee or set forth in the applicable Award Notice,
 - (i) for Participants other than senior executive officers designated by the Board or Committee, Earned PSUs shall vest as follows: (1) one-third (1/3) shall vest on the first day of the month following the date on which the Board or Committee determines the Earned PSUs, but in any event no later than July 30th following the end of the performance period; and (2) one-third (1/3) shall vest on each of the subsequent two January 1 dates thereafter, provided the Participant has continually remained in Active Employment or Active Engagement and has not incurred a Separation from Service through each such date; and
 - (ii) for Participants designated by the Board or Committee as senior executive officers, Earned PSUs shall vest in full on the third January 1 following the end of the performance period to which the Target Award relates, provided the Participant has continually remained in Active Employment or Active Engagement and has not incurred a Separation from Service.

- (d) Each vesting date shall constitute the Distribution Date for the applicable portion of the Earned PSUs, and such Earned PSUs shall be settled in accordance with Section 4.7 and Section 4.8.

4.4 Award Notice

- (a) All awards of Share Units under Section 4.1 will be evidenced by an Award Notice. Such Award Notice may consist of a written or electronic communication or record (including through an equity administration system) reflecting the grant of Share Units and the terms and conditions applicable thereto, as approved by the Board or Committee.
- (b) Any such Award Notice may be delivered, maintained and accepted by the Participant through an electronic system designated by the Corporation, and shall be effective upon such delivery or acceptance by the Participant (including by electronic acknowledgement), as determined by the Corporation.
- (c) By accepting an Award Notice, the Participant shall be deemed to have (i) received and reviewed the Plan and the applicable Award Notice and agreed to be bound by their terms and conditions, (ii) in the case of any Target Award, received, reviewed and understood the applicable Performance Measures, (iii) acknowledged that any award of Share Units represents a contingent opportunity only and that the number or value of Share Units that may ultimately be earned, vested or payable may differ from any target or initial grant amount based on applicable vesting conditions and, in the case of Performance Share Units, Performance Measures and any Adjustment Factor, as applicable, (iv) acknowledged that no entitlement to any payment or settlement arises unless and until the applicable vesting and settlement conditions under the Plan have been satisfied, and (v) waived, to the fullest extent permitted by applicable law, any claim for damages or compensation arising out of or relating to the grant, determination, vesting or forfeiture of the Share Units.
- (d) Without limiting the foregoing, the terms and conditions of an award of Share Units may reflect, incorporate or be subject to provisions set forth in any employment agreement, offer letter or other arrangement between the Participant and the Corporation or any of its affiliates, to the extent determined by the Board or Committee. In the event of any inconsistency, the Board or Committee shall determine the extent to which such provisions apply to the award; provided that any such determination shall be made in a manner that complies with, or is exempt from, Section 409A of the Code.

4.5 Credits for Dividends

Unless otherwise expressly provided in the applicable Award Notice or otherwise notified by the Board, no Dividend Equivalents shall be credited in respect of any Share Units.

If the Award Notice provides that Dividend Equivalents will be credited in respect to the relevant Share Units and the Corporation pays a normal cash dividend in accordance with its dividend policy on the Shares, a Participant's account shall be credited with Dividend Equivalents in the form of additional Share Units as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such Dividend Equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Share Units recorded in the Participant's account on the record date for the payment of such dividend, by (b) the Dividend Market Value, with fractions computed to three decimal places. Any additional Share Units resulting from such Dividend Equivalents shall have the same vesting schedule, Distribution Date and other terms as the Share Units to which they relate. The foregoing does not obligate the Corporation to pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

4.6 **Distribution Date of Awards**

- (a) The date of settlement of any Share Unit (a "**Distribution Date**") shall be the applicable vesting date for such Share Unit established pursuant to Section 4.2 and 4.3; provided that, a Participant must have remained in continuous Active Employment or Active Engagement and not have incurred a Separation from Service through such vesting date in order for settlement to occur. The Board may, at the time of grant and as set forth in the applicable Award Notice, impose additional or different conditions to the determination of the Distribution Date of any Share Unit, provided that such conditions comply with or are exempt from Section 409A, to the extent applicable..
- (b) Notwithstanding anything to the contrary in this Section, with respect to any Share Units awarded to a Participant who is a U.S. Taxpayer, the Distribution Date shall be determined in a manner that complies with or is exempt from Section 409A.

4.7 **Settlement of Share Units**

On the Distribution Date, the Board or Committee, as applicable, in its sole discretion, shall have the option of settling the Shares issuable in respect of Share Units by any or all of the following methods: (a) settlement in Shares acquired by the Corporation on the Exchange; (b) the issuance of Shares from the treasury of the Corporation; or (c) payment by the Corporation of a cash amount per Share Unit equal to the Settlement Market Value of the Payment Shares on the Distribution Date, net of applicable withholding tax.

4.8 **Distribution of Shares**

- (a) Subject to any election by the Board or Committee, as applicable, to settle a Share Unit in cash, as soon as practicable after each Distribution Date and in any event no later than December 31 of the calendar year in which such Distribution Date occurs, the Corporation shall issue to the Participant a number of Shares equal to the number of Share Units in the Participant's account that became payable on the Distribution Date (the "**Payment Shares**"). As of the Distribution Date, the Share Units in respect of which such Shares are issued or cash is paid shall be cancelled and no further payments shall be made to the Participant under the Plan in relation to such Share Units.
- (b) As a condition to the settlement of any Share Units, the Corporation may require that the Participant execute and deliver such agreements, including a release and waiver of claims in favor of the Corporation and its affiliates, in a form satisfactory to the Corporation. Any such release shall be required to be executed and delivered within a period specified by the Corporation that does not exceed [60] days following the Distribution Date. Notwithstanding the foregoing, if the period during which the Participant may execute such release spans two taxable years, any settlement of Share Units subject to such release shall be made in the later taxable year. If the Participant does not execute and delivers such agreements within the time period specified by the Corporation, the Corporation may, in its sole discretion, forfeit such Share Units.
- (c) As a condition to the issuance of Shares or payment of cash in connection with any Share Units, the Corporation may require that the Participant: (i) pay to the Corporation such amount as the Corporation is obligated to remit to the relevant taxing authority in respect of the issuance of the Shares or payment of cash in respect of the Share Units (the "**Applicable Withholding Amount**"); (ii) withhold the Applicable Withholding Amount from any remuneration or other amount otherwise payable by the Corporation to the Participant; (iii) require a sale of a number of Shares issued upon payment of the Share Units and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy the Applicable Withholding Amount; or (iv) enter into any other arrangements suitable to the Corporation to enable the Corporation to satisfy the Applicable Withholding Amount, including any combination of the foregoing. On or prior to the Distribution Date, the Corporation shall advise the Participant in writing of any Applicable Withholding Amount required in connection with the issue of Shares in settlement of the Share Units.

4.9 Separation from Service

Notwithstanding any other provision of the Plan, and subject to any express resolution of the Board or Committee or the terms of an applicable Award Notice, if a Participant incurs a Separation from Service for any reason (including, without limitation, termination of employment or service, resignation, retirement, death or Disability), all Share Units that have not vested as of the date of such Separation from Service shall be forfeited without payment and shall be of no further force or effect.

For greater certainty, no period of notice or payment in lieu of notice, whether statutory, contractual or at common law, shall be taken into account for purposes of determining vesting of Share Units.

4.10 Adjustments to Share Units

In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Corporation or other distribution of the Corporation's assets to shareholders (other than the payment of dividends in respect of the Shares as contemplated by Section 4.5), the account of each Participant and the Share Units outstanding under the Plan shall be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the Exchange and Section 409A, to the extent applicable, deem appropriate to preserve, proportionally, the interests of Participants under the Plan.

4.11 Change of Control

- (a) Upon a Change of Control, the Board or Committee may, in its sole discretion, determine that all or any portion of the outstanding and unvested Share Units shall vest and be settled.
- (b) Shares issuable in respect of such Share Units shall be deemed to be issued to Participants effective immediately prior to the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with this Plan.

4.12 Discretion to Permit Vesting

Notwithstanding the provisions of Sections 4.2, 4.3, and 4.9, the Board may, in its sole discretion, at any time prior to or following the events contemplated in such Sections, permit the vesting of any or all Share Units held by a Participant and the issuance of the Payment Shares or payment of cash in respect of such Share Units in the manner and on the terms authorized by the Board, provided that any such action shall be implemented in a manner that complies with or is exempt from Section 409A, to the extent applicable, and the Board will not, in any case, authorize the vesting of any Share Units or the issuance of a Payment Share or payment of cash pursuant to this Section beyond the Final Date applicable to the particular Share Unit.

4.13 Blackout Periods

Subject to the rules and regulations of the Exchange, notwithstanding any other provisions of this Plan, if the Distribution Date of any Share Unit occurs during or within 10 business days following the end of a Blackout Period, the settlement of such Share Unit shall be extended for a period of 10 business days following the end of the Blackout Period (or such longer period as permitted by the Exchange and approved by the Board). Notwithstanding the foregoing, to the extent applicable, the settlement of such Share Units shall be determined in a manner that complies with or is exempt from Section 409A.

ARTICLE 5 GENERAL

5.1 *Amendment, Suspension, or Termination of Plan*

- (a) Subject to Sections 5.1(b) and 5.1(c) below and to the rules and policies of the Exchange and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of the Exchange.
- (b) Notwithstanding Section 5.1(a) but subject to 5.1(f), the Board shall not alter or impair any rights or increase any obligations with respect to a Share Unit previously granted under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.1(a), none of the following amendments shall be made to this Plan or awards granted hereunder without approval of the Exchange (to the extent the Corporation has any securities listed on such exchange) and the approval of shareholders:
 - (i) amendments to the Plan which would increase the number of securities issuable under the Plan otherwise than in accordance with the terms of this Plan;
 - (ii) amendments to the Plan which would increase the number of securities issuable to Insiders otherwise than in accordance with the terms of this Plan;
 - (iii) amendments that would extend the Distribution Date of any Share Units held by Insiders beyond the original Final Date of the Share Units;
 - (iv) amendments that would reduce the Award Market Value of any Share Units held by Insiders otherwise than in accordance with the terms of this Plan;
 - (v) the addition of any form of financial assistance to a Participant;
 - (vi) amendments to the restriction under Section 5.5 to permit a Participant to transfer any Share Units to a new beneficial holder other than for estate settlement purposes;
 - (viii) amendments to the limitations under Section 3.4(f) with respect to RSUs that may be granted to Non-Employee Directors; and
 - (vii) amendments to this Section 5.1.

Such amendments shall require the approval of the disinterested holders of the Corporation's Shares by ordinary resolution.

- (d) If the Board terminates or suspends the Plan, no new Share Units will be credited to the account of a Participant. Previously credited Share Units whether or not vested, may, at the Board's election, be accelerated (if unvested) and/or Shares issuable in respect of such Share Units may be distributed to Participants or may remain outstanding. In the event that a Share Unit remains outstanding following a suspension or termination of the Plan, such Share Unit shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which the vesting of all Share Units held by the Participant are

accelerated and the Payment Shares are issued to the Participant or cash is paid in respect of all such Share Units.

- (f) The Plan will terminate on the date upon which no further Share Units remain outstanding.

5.2 Compliance with Laws/U.S. Tax Matters

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the Share Unit upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such Share Units or the issue of Shares thereunder, no such Share Unit may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

The Share Units under this Plan are intended to be either exempt from, or compliant with, Section 409A of the United States Internal Revenue Code and the Treasury Regulations and other guidance promulgated thereunder ("Section 409A") (including, where applicable, pursuant to the short-term deferral exemption set forth in Treasury Regulation Section 1.409A-1(b)(4)), and the provisions of this Plan shall be interpreted administered and paid in a manner consistent with that intent.. For purposes of Section 409A, each payment of nonqualified deferred compensation subject to Section 409A under the Plan shall be treated as a separate payment to the fullest extent permitted under Section 409A. To the extent that any payment or benefit under the Plan constitutes nonqualified deferred compensation subject to Section 409A, (i) a Participant's termination of employment or other service relationship shall not be deemed to have occurred unless it constitutes a 'separation from service' within the meaning of Section 409A, to the extent necessary to comply with Section 409A, (ii) if such payment or benefit is payable upon a Participant's separation from service and the Participant is a 'specified employee' (within the meaning of Section 409A), such payment or benefit shall not be made before the date that is six (6) months following the Participant's separation from service (or, if earlier, the date of the Participant's death), to the extent required to comply with Section 409A, and any amounts that would otherwise have been payable during such six-month period shall be accumulated and paid in a lump sum on the first business day following the end of such period (or earlier death), and (iii) if such payment or benefit is payable upon a Change of Control, such event shall not constitute a payment event for purposes of Section 409A unless it also constitutes a 'change in control event' within the meaning of Section 409A. Notwithstanding anything in the Plan to the contrary, in no event shall any Participant have the right to designate the taxable year of payment of nonqualified deferred compensation subject to Section 409A, and if a payment is to be made within a specified period that spans two taxable years, such payment shall be made in the later taxable year. The Board reserves the right to amend the Plan or any Award, or to adopt such policies and procedures, or to take any other actions, as the Board determines are necessary or appropriate to (i) exempt the Plan or any Award from the application of Section 409A or (ii) comply with the requirements of Section 409A; provided, however, that this Section shall not be construed as a guarantee of any particular tax treatment, and the Company shall have no liability to any Participant or any Person for any taxes, penalties or interest imposed under Section 409A.

5.3 Reorganization of the Corporation

The existence of any Share Units shall not affect in any way the right or power of the Corporation or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Corporation or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Corporation, or any amalgamation, combination, merger or consolidation involving the Corporation or any sale or

transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under the Plan may be assigned by the Corporation to a successor in the business of the Corporation, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Corporation, or any company acquiring all or substantially all of the assets or business of the Corporation.

5.5 Share Units Non-Transferable

Share Units are non-transferable except to a Permitted Assign. Certificates representing Share Units will not be issued by the Corporation.

5.6 Participation to be Determined by Board; No Additional Rights

The participation of any Participant in the Plan shall be determined by resolution of the Board or the Committee, if such authority is delegated thereto. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or to continue participation in this Plan, or to compensation or damages in lieu of participation. The Corporation does not assume responsibility for the personal income tax liability or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

No person has any right to compensation or damages for any loss in relation to this Plan, including any loss in relation to:

- (a) any loss or reduction of rights or expectations under the Plan in any circumstances (including termination of employment for any reason); and
- (b) any exercise of discretion or a decision taken in relation to a grant of Share Units or to the Plan, or any failure to exercise discretion or make a decision.

5.7 No Shareholder Rights

Under no circumstances shall Share Units be considered Shares or other securities of the Corporation, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Corporation, nor shall any Participant be considered the owner of Shares by virtue of the award of Share Units. A Participant will acquire rights to Shares in respect of Share Units only upon the allotment and issuance to the Participant of such Shares in accordance with this Plan.

5.8 Fractions

No fractional Share will be issued pursuant to an award granted hereunder. The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.9 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded and the Corporation will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of Share Units under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Corporation.

5.10 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Corporation makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.

5.11 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to other third parties in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

5.12 Indemnification
